AssurityBalance® Simplified Critical Illness Insurance

- **Multiple Benefits** – up to triple the benefit amount – are paid if the insured suffers illnesses from each of the three categories.
- **Return of Premium Death Benefit** – a feature built in the base policy with no extra charge! Returns 100 percent of premiums, less any benefits paid, if insured dies of *any* cause.
- **No Waiting Period** - policy is effective on date of issue for all covered illnesses except for cancer which has a reduced benefit for the first 90 days.
- **Stroke** – covered after only 96 hours of impairment. Most competitors require neurological deficit to last 30 days
- **Level protection** – to age 75, no reduction in benefits
- **Major Organ Transplant** – benefit payable as soon as registered with UNOS – does not have to undergo transplant before receiving benefits
- **Advanced Alzheimer's coverage** – when insured is unable to perform three ADL
- **Benefit for Cancer in situ** – pays 25 percent of benefit, reduced benefit during the first 90 days
- **Angioplasty coverage** – pays 10 percent of benefit
- **Simplified Underwriting** – easy to understand

Product Highlights

ISSUE AGE

18 through 64 (age last birthday)

SIMPLIFIED ISSUE

Short application, accept/reject, clear cut simple and straight forward. Generally, you will know when you take the application if an applicant will qualify.

RATES

Male/Female, Tobacco/Non-tobacco

MINIMUM/MAXIMUM ISSUE

\$5,000 – \$50,000

BENEFIT

Pays a lump-sum benefit for first-ever diagnosis of several specified critical illness and procedures.

The amount payable for each Specified Critical Illness within a category is the percentage of the Benefit Amount listed in the chart below multiplied by the Benefit Amount. The insured can receive up to 100 percent of the benefits for each category.

If the insured collects for an illness in one category, the policy remains in force to provide coverage against illness in other categories. Diagnosis for a subsequent illness must be separated by at least 180 days from the prior illness. If the insured receives partial payment for an illness in one category, the remaining percentage up to a total of 100 percent can still be collected for other illnesses in that category.

Benefits for Coronary Bypass Surgery, Angioplasty, and Cancer in Situ are payable only once per lifetime.

Category	Specified Critical Illness	Percentage of Benefit Amount Payable for each Specified Critical Illness	Maximum Percentage of Benefit Amount for Category
Category 1	Invasive Cancer Cancer in Situ	100% 25%	100%
Category 2	Heart Attack Major Organ Transplant – Heart or Combination Transplant including Heart Stroke Coronary Bypass Surgery Angioplasty	100% 100% 100% 25% 10%	100%
Category 3	Advanced Alzheimer's Disease Coma – not as a result of Stroke End-Stage Renal Failure Major Burns Major Organ Transplant – Other Than Heart Paralysis – not as a result of Stroke	100% 100% 100% 100% 100% 100%	100%

Product Highlights (continued)

RENEWABILITY

Guaranteed to age 75.

BENEFIT USE RESTRICTIONS

None!

POLICY TERMINATION

Upon payment of the full benefit for all categories or death.

SURVIVAL PERIOD REQUIREMENTS

None. Beneficiaries receive benefit if insured meets disease definitions and dies of the first ever diagnosis of a covered disease or procedure.

WAITING PERIOD

Coverage begins immediately for all illnesses or procedures except for invasive cancer and cancer in situ, which have a reduced benefit for the first 90 days of the policy – 10 percent of the Benefit Amount for Invasive Cancer or 2.5 percent of the Benefit Amount for Cancer in Situ.

After 90 days, full benefit is payable – 100 percent of the Benefit Amount for Invasive Cancer or 25 percent of the Benefit Amount for Cancer in Situ.

RETURN OF PREMIUM DEATH BENEFIT

If insured dies (of any cause), we will pay 100 percent of the premiums paid by the policy owner, less any benefits received, to the beneficiary.

RIDERS AVAILABLE

- **Return of Premium Rider** – 100 percent of premium paid (less benefits received) are returned when policy expires at age 75. If terminated before then, a percentage of premiums paid (less benefits received) are returned. (See schedule on page 10.)
- **Waiver of Premium Rider** – premiums waived during any period of total disability of insured.
- **Accidental Death Benefit Rider**
- **Spouse Rider**
- **Children's Rider**

Rates, benefits and policy provisions may vary by state and are subject to state approval.

Covered Illness Definitions

AssurityBalance® Critical Illness Insurance pays a lump sum benefit *directly to the insured* upon the first-ever confirmed diagnosis of a covered illness or listed procedure.

Diagnosis and procedures must be made and/or performed by board certified physicians in the corresponding specialty. The illnesses and procedures covered are:

CANCER

Invasive Cancer

Defined as: A malignant tumor that demonstrates uncontrolled growth with the spread of malignant cells beyond the tumor's original site and the invasion of tissue.

Leukemia and lymphoma are included.

The following are not considered invasive cancer:

- Pre-malignant lesions (such as intraepithelial neoplasia);
- Benign tumors or polyps;
- Early prostate cancer diagnosed as T1N0M0 or equivalent staging;
- Cancer in situ;
- Any skin cancer (other than invasive malignant melanoma in the dermis or deeper or skin malignancies that have become metastatic).

Invasive Cancer must be diagnosed pursuant to a pathological or clinical diagnosis.

Cancer in Situ (25 percent of the benefit amount)

Defined as: A diagnosis of cancer wherein the tumor cells still lie within the tissue of origin without having invaded neighboring tissue. Cancer in situ includes:

- early prostate cancer diagnosed as T1N0M0 or equivalent staging;
- melanoma not invading the dermis.

The following are not considered cancer in situ:

- Other skin malignancies;
- Pre-malignant lesions;
- Benign tumors or polyps

HEART ATTACK

Defined as: An Acute Myocardial Infarction resulting in the death of a portion of the heart muscle (myocardium) due to a blockage of one or more coronary arteries and resulting in the loss of the normal function of the heart. The diagnosis must be made by a legally qualified physician, board certified in cardiology and based on both:

- new clinical presentation and electrocardiographic changes consistent with an evolving heart attack; and
- serial measurement of cardiac biomarkers showing a pattern and to a level consistent with a diagnosis of heart attack.

Not covered: Established (old) Myocardial Infarction.

Covered Illness Definitions (continued)

CORONARY BYPASS SURGERY (25 percent of the benefit amount)

Defined as:

The actual undergoing of coronary artery bypass surgery using either a saphenous vein or internal mammary artery graft for the treatment of coronary heart disease deemed medically necessary to correct a narrowing or blockage of one or more coronary arteries.

Not covered:

Other surgical or non-surgical techniques, such as laser relief or other intra-arterial procedures.

ANGIOPLASTY (10 percent of the benefit amount)

Defined as:

The actual undergoing of a percutaneous transluminal angioplasty deemed medically necessary to correct a narrowing or blockage of one or more coronary arteries. A legally qualified physician board certified in cardiology must perform the procedure.

Not covered:

Other surgical or non-surgical techniques such as laser relief or other intra-arterial procedures.

STROKE

Defined as:

Any acute cerebrovascular accident producing neurological impairment and resulting in paralysis or other measurable objective neurological deficit persisting for at least **96 hours** and expected to be permanent.

Not covered:

TIAs (transient ischemic attacks), head injuries, chronic cerebrovascular insufficiency (restricted blood flow to the cerebrum), and reversible ischemic neurological deficits.

MAJOR ORGAN TRANSPLANT

Defined as:

The clinical evidence of major organ(s) failure which requires the malfunctioning organ(s) or tissue of the Insured to be replaced with an organ(s) or tissue from a suitable human donor. The Insured must be registered by the United Network of Organ Sharing (UNOS).

- Entire heart
- Lung
- Liver
- Pancreas-Kidney
- Small intestine
- Pancreas
- Kidney
- Bone marrow

Not covered:

Organ *donor* or organ not listed.

END-STAGE RENAL FAILURE

Defined as:

The chronic and irreversible failure of both kidneys requiring periodic and ongoing dialysis.

Covered Illness Definitions (continued)

MAJOR BURNS

Defined as:

Third degree burns covering at least 20 percent of the body surface.

ADVANCED ALZHEIMER'S DISEASE

Defined as:

A progressive degenerative disease of the brain. In order to meet the definition of Advanced Alzheimer's Disease, the diagnosis must be supported by medical evidence that the Insured exhibits the loss of intellectual capacity resulting in impairment of memory and judgment. This impairment results in a significant reduction in mental and social functioning, such that the Insured requires permanent daily personal supervision and is unable to perform independently three or more of the following activities of daily living: transferring (moving in or out of a bed or chair), dressing, bathing, feeding, toileting, and continence. In order for Advanced Alzheimer's Disease to be covered under this Policy, the legally qualified physician making the diagnosis of Advanced Alzheimer's Disease must be a board certified neurologist.

Not Covered

Other dementing organic brain disorders or psychiatric illnesses

PARALYSIS

Defined as:

Complete and permanent loss of the use of two or more limbs from a neurological injury for a continuous 180 days.

COMA

Defined as:

Loss of consciousness (external stimulation produces only primitive avoidance reflexes) for a continuous 96 hours.

RETURN OF PREMIUM DEATH BENEFIT FEATURE

Defined as:

If the insured dies while the policy is in force, we will return to the beneficiary 100 percent of premiums paid less any benefits paid under the policy.

Riders (May vary by state)

SPOUSE RIDER

Same covered conditions as base policy including return of premium death benefit.

Issue Ages: 18 through 64 (age last birthday)

Issue Amounts: \$5,000 – \$50,000 can not exceed amount purchased by primary insured

Underwriting Classes: Male/Female; Non-Tobacco/Tobacco

CHILDREN'S RIDER

Same covered conditions as base plan. Covers all eligible children.

Issue ages: 15 days through 18 years (age last birthday)

Issue Amounts: Available are \$5,000 or \$10,000 Cannot exceed amount purchased by primary insured.

Annual Premium: \$12 per \$5,000 unit

Children are covered from 15 days until the child reaches age 21 (25 if a full time student) or is married.

WAIVER OF PREMIUM RIDER

Issue ages: 18 through 55 (age last birthday)

Underwriting Classes: Male/female

Premiums are expressed as percentage of premiums. To calculate premium for waiver of premium multiply the applicable percentage by the premium for the base policy and all riders (other than return of premium rider).

Waives premium payments due to total disability. If the insured is totally disabled after age 60, we will waive premiums as long as totally disabled or to age 65.

There is a six month retroactive Elimination Period. The Insured must be continuously disabled for six months before the benefit is payable. Once the Insured has qualified, the Company will refund any premiums paid for the six-month elimination period.

Total disability means the inability of the Insured to engage in employment for which the Insured is reasonably qualified by education, training or experience.

RETURN OF PREMIUM RIDER

Eligibility: Available only at the time of issue.

Issue ages: 18 through 60 (age last birthday)

Provides for a return of a percentage of the total premiums paid for the policy and any riders, including the premium paid for the return of premium rider less any premiums that have been waived and partial benefit payments. There are no benefits under this rider in the event of death or if the full benefit amount is paid.

Riders (continued)

(May vary by state)

The rider is designed to return 100 percent of premiums, less any claims, when the policy terminates at age 75. Return of premium is payable as follows:

RETURN OF PREMIUM SCHEDULE

Policy Year	Return Percentage			
	Issue Age 18 – 45	Issue Age 46 – 50	Issue Age 51 – 55	Issue Age 56 – 59

ACCIDENTAL DEATH BENEFIT RIDER – Provides accidental death benefit coverage to age 70.

Issue Ages: 18 through 60 (age last birthday)

Issue Amounts: \$5,000 – \$50,000 (cannot exceed the base policy amount)

Underwriting Guidelines

Simplified issue Critical Illness Insurance is a simplified underwritten product that uses a short form accept/reject application. For application form numbers #-340-02241, if the proposed insured answers "yes" to any question in Section 5 Health Section of the application, they will not be eligible for coverage. For all other application form numbers, if the proposed insured answers "yes" to any questions B1 – B4, C1 – C6 on the application, they will not be eligible for coverage.

An MIB will be completed for every applicant. If there is a code that relates to an application question, a telephone inspection will be completed and followed up with an APS.

Periodic telephone inspections will be completed to confirm answers to application questions.

Your client is not eligible for Simplified Issue Critical Illness if the Proposed Insured:

1. Is receiving Medicare or Medicaid
2. Has been postponed or declined for Critical Illness coverage
3. Plans to live or travel outside the US and Canada for more than two months during the next 24 months
4. In the past two years, received medical care from a member of the medical profession for / or experienced symptoms of the following:
 - Disorder of the heart or circulatory system
 - Unexplained weight loss
 - Unexplained dizziness
 - Fibrocystic breast disease, recurrent breast tumors, or unexplained tumors/growths
 - Abnormal pap smear
 - Unexplained fatigue
5. Has ever received medical care or been diagnosed with the following:
 - Stroke (including Transient Ischemic Attack)
 - Hepatitis B or C
 - Alcoholism
 - Drug abuse
 - Cancer (other than skin cancer)
 - Skin cancer (two or more occurrences)
 - Melanoma
 - Abnormal kidney functions
 - Alzheimer's or senile dementia
 - Recurrent Human Papilloma virus (HPV) or Sexually Transmitted Disease (within the past 5 years)
 - Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC), Human Immunodeficiency Virus infection (symptomatic or asymptomatic) or any AIDS related condition
 - Diabetes
 - Systolic blood pressure 150 or greater last six months
 - Diastolic blood pressure 95 or greater last six months
 - Any disease or disorder of the nervous system
 - Heart attack or had any procedure to the heart including, but not limited to, heart transplant, coronary bypass surgery, or angioplasty
 - Cirrhosis
 - Ulcerative colitis
 - Crohn's disease

Underwriting Guidelines (continued)

6. During the past two years been advised by a member of the medical profession:
 - a) of any abnormal diagnostic test results or been advised to have any diagnostic tests (includes self-administered) which have not yet been completed
 - b) to undergo any treatment, hospitalization or surgery which has not yet been completed
7. During the past five years, the proposed insured was unable to perform any of the following activities on his/her own: transferring in or out of a chair or bed, dressing, bathing, feeding, toileting or continence.
8. Have **two or more** of the natural parents, brothers or sisters, either living or deceased, been diagnosed with the **same condition(s)** from the following list:
 - Heart disease, stroke, diabetes, kidney disease or breast cancer prior to age 60
 - Colorectal cancer or Alzheimer's or senile dementia prior to age 75
 - Any other same cancer in both relatives prior to age 55

For example, if a proposed insured had a father who had a heart attack at age 52 and a brother with a heart attack at age 48, the applicant would not be eligible for coverage. If an applicant has a father who was diagnosed with diabetes at age 59 and a brother who had a stroke at 53, that applicant would be eligible since it is not the same condition.

Underwriting Guidelines (continued)

BUILD GUIDELINES

The proposed insured must be within the minimum and maximum weight for their height to be eligible for coverage.

40	.42	56	1.30
		57	1.39
		58	1.49
		59	1.58

BACKDATING POLICY ISSUE DATE

Assurity will backdate the policy issue date 30 days prior to application's signature date to "save age" (i.e. allow for a lesser age to qualify for a lesser rate). However, Assurity will not backdate the policy issue date to "save eligibility" (i.e. allow for a lesser age to meet eligibility requirements).

Underwriting Guidelines (continued)

BANKRUPTCY

Consideration of financial stability is an important part of the underwriting process. No coverage will be considered if bankruptcy is ongoing or pending, and until the bankruptcy is discharged.

ADDITIONAL UNDERWRITING INFORMATION TO EXPEDITE PROCESSING

Underwriting action often depends on answers to a number of basic questions specific to the condition or situation. In addition to information provided in the application, the underwriting process can be expedited by providing such additional underwriting information as outlined below. On a separate sheet of paper attached to the application, give the information as specified for conditions or situations listed 1 through 13. For any condition or situations not listed, please give information according to section 14.

1. Arthritis

- Applicant's name
- Type of arthritis
- Joints and areas involved
- Currently prescribed medications and treatment
- Name, address and phone number of all physicians and medical facilities

2. Asthma, emphysema, or bronchitis

- Applicant's name
- Number of attacks in the past 12 months
- Date of last attack
- Hospitalizations due to respiratory condition

Customer Service

FOUR-DAY SERVICE GUARANTEE

This product qualifies for the four-day service guarantee, the **Assurity Advantage**. The **Assurity Advantage** assures that your simplified underwritten paper application will be processed and the policy mailed within four business days, or the writing agent can cash in on an additional \$100. Applications need to be filled out correctly and all required items included to qualify! For more information about the **Assurity Advantage**, contact your regional sales manager.

MULTIPLE APPLICATIONS RECEIVED WITH A SERVICE GUARANTEE PRODUCT

When multiple products are applied for simultaneously, we will hold all applications until a final decision has been made for each product, and they will be issued together.

Therefore, if a product in the **Assurity Advantage** program is applied for at the same time as a non-Assurity Advantage product, it will not qualify for the service guarantee.

About Assurity

Assurity Life Insurance Company's origins are rooted in a 120-year legacy of providing long-term security to policyholders that has earned generations of customers' confidence and trust.

Assurity Life serves customers across the nation, offering disability income, critical illness, accident and life insurance, annuities and specialty insurance plans through our representatives and worksite distribution.

With assets exceeding \$2 billion, Assurity Life has built a reputation for "best in class" service and sound, conservative business practices with a disciplined approach to financial management. Headquartered in Lincoln, Neb., Assurity Life has earned a high rating from A.M. Best Company, one of the insurance industry's leading independent analysts. For more information about this rating, please visit www.ambest.com or www.assurity.com.

We're proud of our history of integrity, financial accountability...and helping people through difficult times.
